

1. **Ruth COTTLE** #5164, b. about 1770 in Monroe Co., (W)VA, USA, (daughter of **William Uriah COTTLE** #2159 and **Elizabeth ???** #2110). She married (2) 13 Jan 1789 in Second Creek, Monroe Co., VA, USA, **David NUTTER** #5163, b. circa 1769 in VA or MD, USA, d. circa 1851 in Nicholas Co., (W)VA, USA, buried: in Greenbrier Co., (W)VA, USA. Ruth died 10 Jun 1815 in Monroe Co., (W)VA, USA. The Ruth Nutter in John Cottle's will presumed to be this Ruth and presumed a sister. Charged with having a baseborn child in Greenbrier court 27 Mar 1787. The charges were dropped 3 Apr 1789 after her marriage. The Ruth Cottle m James McCoy 21 Dec 1811 could be her baseborn child or a child of William Cottle by 1st wife. **David**: Note from Linda Duffy's gedcom file (complete with contradictory evidence). David was born in MD abt 1771, died in Nicholas Co. in 1855. His father brought him to Harrison Co. when David was about 3 years old in 1774. David left Harrison Co about 1786 and went to Monroe Co., to live with relatives of his mother. After? his wife Ruth died about 1814, David moved to Nicholas County, where he married Christina O'Dell. (Note that Monroe Co. wasn't formed until 1799.)

Children:

- i **?? COTTLE** #5651, b. before 1787 in Greenbrier Co., (W)VA, USA. This might be the Ruth Cottle that married James McCoy in 1811 but not sure so I have an entry for her as well. If Ruth's baseborn child was not named Ruth then that individual needs to be attached to C. W. and Hannah Warrack-Lake-Cottle's family (since I have nowhere else to put her).
- ii **Ruth COTTLE** #2895, b. before 1787. She married 21 Dec 1811 in Greenbrier Co., (W)VA, USA, **James McCOY** #2297. Possible daughter of Charles William Cottle and Hannah Warrack-Lake-Cottle rather than of Ruth Cottle. Could just as easily be the base born child Ruth was brought to court over in 1787 though. (See entry #5651, ?? Cottle).

- xiii **Joseph** NUTTER** #3949, b. about 1812.¹ This child was apparently born after Ruth's reported death in 1810. Another account has Ruth's death in 1815. Only alternative explanation I can come up with is that Joseph may be a twin to Malinda (born about 1810) and Ruth just might've died delivering them. (**) Linda Duffy later left him out of the family group. Never could get an explanation from her about it.
